

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. – 19. (Canceled)

20. (Currently Amended) A method for treating a subject suffering from ~~or in need of prophylaxis for~~ a cancer, cells of which express NY-ESO-1, comprising administering to said subject an amount of a composition containing NY-ESO-1 protein and a saponin based adjuvant, sufficient to induce an antibody response to NY-ESO-1 in said subject.

21. (Original) The method of claim 20, wherein the amount of said compositions is sufficient to induce both a CD4⁺ and a CD8⁺T cell response.

22. (Original) The method of claim 20, comprising administering said composition intramuscularly or subcutaneously.

23. (Original) The method of claim 20, wherein said saponin based adjuvant further comprises sterol.

24. (Original) The method of claim 20, wherein said saponin based adjuvant is an ISCOM or an ISCOMATRIX adjuvant.

25. (Original) The method of claim 20, comprising administering equal amounts of NY-ESO-1 and saponin based adjuvant to said subject.

26. (Original) The method of claim 20, comprising administering from about 10 to about 500µg of NY-ESO-1 protein to subject.

27. (Original) The method of claim 20, wherein said subject is affected with a tumor.

28. – 33. (Canceled)
